National Truck Protection Co., Inc. is the leading independent provider of warranty and service contracts to the North American trucking industry, for over 30 years. We support private label warranties to major OEMs as well as extended service contracts to independent owner operators, the used truck market, auction equipment companies, fleets and lenders.

We have earned a reputation for resolving claims quickly, coupled with the financial strength necessary to solve the largest of catastrophic problems. Our programs are easy to administer, comprehensive and affordable. We provide outstanding coverage which is supported by a bilingual, 24-hour claims service.

- NTP has the longest tenure in the "Extended Contract Service Industry"
- NTP maintains contractual liability insurance to comply with state regulations for extended service contracts
- CLIP insurance is with an A.M. Best A- (excellent) rated organization
